Changements dans la conception de la factualité dans le discours du journal télévisé au Québec, 1961-2010

Changes in the conception of factuality in the newscasts discourse in Quebec, 1961-2010

Abstract: The article focuses on the evolution of television newscasts in Quebec since the 1960s. The aim is to show that television news, while anchoring its discourse in factuality, makes more and more room for an analytical and interpretative discourse, particularly through processes of contextualization and problematization of events.

Keywords: factuality, newscast discourse, Quebec, problematization of events, journalism
