**WETELL INTERNATIONAL SUMMER SCHOOL
A UTRECHT NETWORK INTENSIVE COURSE**
Innovating Storytelling to Address Civic Awareness

iiiiiiEXTENSIV ONLINE !!!!! 2-30 NOIEMBRIE 2020

în vremuri extraordinare, sunt necesare solu ii noi

Due to Covid-19 emergency and the international travel restrictions WeTell School 2020 will run online and you will be able to combine it with your ongoing work.

WeTell School turns the emergency into **AN OPPORTUNITY** to explore new interactive forms of sharing and exploring knowledge and realities through storytelling.

Our program has been reorganized along **FOUR WEEKS**, starting from November 2nd. We have adjusted our timetable to the new habitat, shifting the idea of **INTENSIVE** from **GEOLOCATED SPACE** to **QUALITY TIME**.

Originally conceived as an intensive and immersive experience in Bologna, WeTell 2020 is now rethought as an online experience combining **LIVE SESSIONS** and **GUIDED SELF-LEARNING**.
