Call for Papers: International Conference: Violence on Women. Hypostases. Explanations. Interventions., 7th Edition

Date: 27 - 28 November 2025

Location: „Alexandru Ioan Cuza” University of Iași, Romania

Format: In-Person and Online

The organizing committee is delighted to announce the *International Conference: Violence on Women. Hypostases. Explanation. Interventions*, 7th Edition, a significant academic gathering aimed at shedding light on the multifaceted issue of violence against women and fostering collaborative efforts to address this global challenge. We invite researchers, scholars, practitioners, activists, and policymakers from around the world to submit their proposals and participate in this conference.

Conference Objectives:

- Provide a platform for interdisciplinary dialogue on violence against women, fostering collaboration among academia, civil society, and policymakers.
- Share cutting-edge research, best practices, and innovative strategies for preventing violence against women and supporting survivors.
- Engage in critical discussions on the root causes, impact, and consequences of violence against women in diverse cultural, social, and political contexts.
- Explore the intersections of violence against women with other forms of oppression or discrimination.
- Facilitate networking opportunities to build partnerships and coalitions for effective advocacy and policy reform.
- Amplify the voices and experiences of survivors, centering their narratives in the discourse on violence against women.
- Promote the development of evidence-based interventions and policies to prevent and respond to violence against women.

The topics proposed for this edition include, but are not limited to, the following aspects:

- Women in the dynamics of domestic violence: from victim to aggressor
- The impact of violence on women in the digital context
- Domestic violence in the post-pandemic period
- The role of education in preventing violence against women
- Recovery and social reintegration of domestic violence victims
- Violence against women and (re)migration
- Violence against women and human rights
- Harassment and violence against women in the workplace
